PROFESSIONAL EVENTS

As a member you can participate for at conferences, go-home-meetings and theme days with high standard professional content all over the country. Join the events listed below or check out our event calendar at www.finansforbundet.dk/arrangementer

Engaging virtual meetings and webinars. Theme Day: At this course you will be dressed to design, prepare and facilitate engaging and effective virtual meetings and webinars to maximize your return and all participants remain focused and active from the beginning. **Silkeborg - d. 30.10.18 – 750 kr.**

Sleep well through the night. We spend approx. one third of our lives sleeping. But many Danes have sleep problems, and it affects your mood, health and job satisfaction. At this event, you get insight into the importance of sleep for your well-being and some specific tools that can help you sleep better. **Randers - d. 05.11.18 – Free.**

Cyber-crime. With stories from the real world, Peter Kruse shows how IT criminals operate. Despite agility, companies and organizations still create leaks that are seriously harmful to citizens and businesses. Peter Kruse gives his advice on how to get a good and healthy view on personal data, passwords etc. **Vejle - d. 13.11.18 – Free.**
